

TTT and AlcheMe
IMPLEMENTATION
AT A GLANCE

Foreword

In this fast-moving world, when one contemplates what to pass on to the next generation, the answers seem to point to appropriate knowledge, useful skills and the right attitude that would help them adapt to what is to come and make the most of it so that they can lead fulfilling lives.

Educationists believe that schools should be able to provide all of these three essentials capabilities. However, arriving at this outcome will need concerted effort, and one such attempt is being made through the Tim Tare (TTT) programme of Aparajitha Foundations.

The World Health Organisation (WHO) has listed 10 core life skills that would help an individual to effectively deal with the demands and challenges of everyday life. These are as follows:

- Self awareness
- Empathy
- Communication
- Interpersonal relationship
- Creative thinking

- Critical thinking
- Decision making
- Problem solving
- Coping with emotions
- Coping with stress

At TTT, we recognize the imperative to impart the above-mentioned 10 faculties, and to this end, have designed and created a composite package of 100 lessons to relay these competencies to the students. Our activity-based module incorporates stories, songs, games, role play, interactive face-time and experience sharing sessions. The program is designed to facilitate the journey of self-discovery and personal development from the early primary stage, while also providing an expanded scope for creativity and innovation for the teacher who facilitates these sessions.

We are convinced that this module will facilitate the developmental journey for young learners to motivate them on their passage to early adulthood, guiding them to become confident and worthy citizens of India while allowing them to release their potential as well-rounded human beings who are equipped to take on the challenges of the future. We heartily invite teachers and educationists to join hands with us in working towards the making of a new generation.

- Team Implementation

Ms. Durga Krishnamurthy

Trustee
Aparajitha Foundations

"If your plan is for one year, plant rice.

If your plan is for ten years, plant trees.

If your plan is for one hundred years, educate children."

— Confucius

Durgamma was born with a passion to 'give' and 'care', and that too, give only the best and everlasting.

Amma believed that basic skills are hidden as treasures in the soul of every child, and the effort of education should be to unlock that treasure. She converted her belief to a concept, resulting in the creation of 'TTT'.

The conversion process was quite easy for her. All she had to do was share her thoughts with her son who instantly swung into action and achieved results. Together they created the value-based education in life skills. Their valuable time and resources were invested into a relatively new concept called 'edutainment' with an objective to inculcate positive thinking and adaptive behaviour in young children.

Noble Ideas are like seeds for future actions, ennobling, inspiring, powerful and opening new vistas.

'TTT', a noble movement with one hundred well-made topics, will go on for years.

Dr. Bharath Krishna Sankar Managing Trustee

Dr. Bharat Krishna Sankar, a visionary with a brilliant academic career, firmly believes in today's youth as tomorrow's leaders. He envisions the development of a nation through its 'youth power' that has to be harnessed with proper care and good moral values. Our nation has now been gifted with sizeable young population, and therefore, it is the right time to mould them and then they can be relied on to bring our country on par with any well-developed nation. Building a nation of character has been his long cherished dream.

With great commitment he worked on a framework that would develop and integrate a youth's emotional, moral and social development together with technical cognitive competence. This resulted in a structured format for life skills called 'TTT'. His eye for detail and passion for perfection saw him get involved at every stage, right from content preparation to finality. Thanks to him, 'TTT' is lauded for its concept, methodology and purpose. Without any desire for promoting himself or the product, his sole intention has been that it should serve its purpose of 'true nation building'.

Monetization, brand building or publicity had no place in this project. Apart from providing creative inputs, he guided and shaped a team that would work towards achieving this goal.

Thanks to his noble approach and commitment, 'TTT' has been well accepted by many states and is poised to be an iconic project.

'TTT's operation team is thankful to him and acknowledges his guidance with profound gratitude. The team is proud to be a part of the project.

Across India 2008-2023

2022-23: Year-wise description for TTT, being added as a part of School Curriculum

State-wise Students Reach

Our Presence	State	2019 Census	Adolescents population @ 21,8%	Reach considered @ 40%	Figs. (Lakhs)
1	Uttar Pradesh	23,78,82,725	5,18,58,434	2,07,43,374	207.43

STATE WISE DETAILS

TTT Presence in TAMIL NADU (2008 -2023)

TTT in TAMIL NADU (2008 -2023)

2008-09

• Started Pilot Project in 5 Schools

2009-10

• Launched the TTT program to Government High Schools and Higher Secondary Schools across the state.

2010-11

Organized TTT Day for assessing the impact of TTT

2011-12

- Launched to Government Aided and Private Schools,
- Started to publish Newsletter,
- Case Study on TTT at Thiagarajar School of Management
- https://www.thecasecentre.org/products/view?id=112489

2012-13

- Organized Summer Life Skills Camps for children,
- Initiated at a residential school of SSA (Full form of SSA)
- Started transformation centres at 2 NGOs in Madurai
- Launched to Primary Schools at T.Vadipatti block

TTT in TAMIL NADU (2008 -2023)

2013-14

- Organized summer camps in Residential areas
- Initiated at an Industrial Technical Institute
- Started 'Peer Education' among college students at an NGO
- Prof S. Preeta did research on TTT and awarded Ph.D. http://hdl.handle.net/10603/96206

2014-15

- Started at IBA School for visually challenged students, Madurai.
- Started at YMCA school for aurally challenged and speech impaired students, Madurai.
- Started at Children Parliament, Arogya Welfare Trust, Madurai.

2015-16

- Life Skills Workshops to parents, industrial workers and social workers
- Started at a Community College, Madurai.
- Started at a Students' Home, Madurai.
- Started to Aparajithans (Marketing Team)

2020

- January: First meeting with State Project Director (Patna) for TTT Relay.
- Relay was planned for March but delayed due to COVID 19.
- August: DD Bihar began broadcasting TTT relay every Friday.
- August: DD Bihar started telecasting AlcheMe relay on every Saturday and Sunday.

2021

- January: DD Bihar started telecasting TTT and AlcheMe relays twice a week.
- May: DD Bihar started broadcasting TTT relay for 4 hours every week.
- October: DD Bihar started broadcasting TTT relay for 5 Hours every week.
- Total no. of relays till December'21

TTT - 395

AlcheMe - 85

• Bihar is the first State to relay AlcheMe nationwide through DD Bihar.

2022-23

- TTT topics were included in Government Web portal.
- MOU signed on 27th March, 2023.

Bihar Education Project Council's Web Portal

Bihar EPC Web Portal

Presence in UTTAR PRADESH (2021-2023)

UP Development Milestones • 2021-23

• U.P. commenced the relay in early September with **7-days-a-week relay**. This was relayed across India through DD – Uttar Pradesh. The relays in UP are very valuable and prestigious too.

• Till 14th April 2021, DD UP relayed **97 episodes of TTT** for 30 minutes each day.

- Relay cost on DD National is Rs.20,000 per minute. So it is approx 97X30XRs.20,000=Rs.5,82,00,000 (Five Crores and Forty Lakhs)
 - U.P. relays reached around **128 countries and 19 crore students** as per the report given by Prasar Bharti.

TTT in UTTAR PRADESH (2021-23)

TTT Programme reached 19 crore students through DD UP.

TRP report of DD Prasar Bharti shared by Education Department, Uttar Pradesh.

TTT in Chhattisgarh (2021-23)

TTT in CHHATISGARH (2021-23)

2021-22

- Aparajitha became content partner for CG (Chattisgarh) SCERT.
- 95+ TTT videos have been approved by the experts of SCERT and are ready to be uploaded in the web portal.
- Workbooks for class 1-5 have been uploaded on the SCERT web portal.
- Received work order to show our AlcheMe in all SAGES of CG and TTT in 100 schools of 2 districts.

2022-23

- TTT has been started in 50 Government Middle Schools.
- AlcheMe has been started in 82 SAGES (English Medium Schools).
- Assisted SCERT in module development on Girls Empowerment.
- Imparted training on Life Skill Development to the State Resource Group of SCERT.
- MoU has been signed with the Director, SCERT.
- TTT has been started for the deprived children of Sindhu Shikshan Samiti, Raipur. 10 relays completed successfully.

प्रकाशक:- राज्य शैक्षिक अनुसंघान और प्रशिक्षण परिषद, रायपुर (छ.ग.)

राष्ट्रीय शिक्षा नीति 2020 का लक्ष्य बच्चों में बुनियादी साक्षरता के साथ—साथ उनमें अच्छा स्वास्थ्य और खुशहाल जीवन की बात करता है। एन.सी.ई.आर.टी. नई दिल्ली द्वारा भी अपेक्षित गुणवत्ता स्तर बढ़ाने के लिए विभिन्न स्तर पर कुछ लक्ष्य निर्धारित किए गए हैं।

छत्तीसगढ़ राज्य में भी वर्तमान आवश्यकताओं और परिस्थितियों के अनुसार बालिकाओं को सशक्त बनाने के लिए इस माड्यूल का विकास किया गया है। आज जब हम गुणवत्ता पूर्ण जीवन की बात करते हैं तो कई मूलभूत बिंदुओं पर भी चिंतन—मनन की आवश्यकता होती है। आज हमें बालिकाओं को ऐसी शिक्षा देनी है जो बालिकाओं में ज्ञान और जीवन कौशल दोनों का समन्वित विकास कर सके। उनके अकादिमक ज्ञान के साथ—साथ व्यवहारिक पक्ष एवं कैरियर को भी समान महत्व मिल सके। आज बालिकाएं घर के आंगन से बाहर निकल कर कुछ करना चाहती हैं, उड़ना चाहती हैं, अपनी पहचान बनाना चाहती हैं तथा समाज को भी अपना सार्थक सकारात्मक योगदान देना चाहती है। ऐसे में इस मॉड्यूल का उद्देश्य उन्हें सशक्त रूप से तैयार करना है, जो आत्मविश्वास की परिपूर्णता के साथ चुनौतीपूर्ण परिस्थितियों में भी उचित समाधान करने में सक्षम हो सकें।

यह मॉड्यूल बालिकाओं को स्वयं के प्रति जागरूकता, सकारात्मकता, आत्मिनर्भरता, निर्णय क्षमता, समस्या समाधान और कैरियर चयन जैसे अनेक व्यवहारिक पक्ष पर सशक्त बनाता है। इन महत्वपूर्ण विषयों को रोचक गतिविधियों के माध्यम से समग्र रूप में प्रस्तुत करता है। प्रारंभिक स्तर के लिए बनाया गया यह मॉड्यूल शिक्षकों के साध—साथ शिक्षक, प्रशिक्षकों, शोधकर्ताओं और अभिभावकों के लिए भी उपयोगी सिद्ध होगा।

इस मॉड्यूल को बनाने में शासकीय शिक्षक शिक्षा महाविद्यालय, रायपुर, छत्तीसगढ़ के शिक्षकों एवं रूम टू रीड, अर्पण, अपराजिता का विशेष सहयोग रहा है। हम इनके आमारी हैं। हमें आशा ही नहीं पूर्ण विश्वास है कि यह मॉड्यूल छत्तीसगढ़ की सभी बालिकाओं के सशक्तिकरण में सहायक सिद्ध होगा।

UTTARAKHAND
(2021-23)

100 videos were observed by SCERT Uttarakhand and approval was given to the content of all the videos

Regular review meetings are being conducted with government officials. Government owns the programme and ensures the monitoring mechanism.

Feedbacks and reviews of teachers and students are taken from studio and field visits, and the information shared with the state project director on a monthly basis.

All the institutions - Kendriya Vidyalaya, Navodaya Vidyalaya, Bal Sudhar Ghar, Bal Niketan - regularly take feedback of the children at the school level and share it to be infused in the content of Tim Tim Tare Programme.

Children's Special Home has highly appreciated the programme and shared an appreciation letter to the organization.

STUDENT'S FEEDBACK

मेरा नाम भी अनस
में क्सा ह का हात्रा हुँ।
में हर सप्ता के बुधवार की टिम टिम तारे का रक पाठ देखता है। और मुझे कुद नया सीख ने की मिलता है। और पिदले सप्ता के में मेने नयी पिरस्थीत के बारे में जाना था। और मुझे बहुत अन्दा लगा। और में आगे देखना चाहता हुँ धन्यवाद !

TEACHER FEEDBACK

The educational videox made by Aparajitha joundation are outstanding and knowledgeable for students the moral values delivered in these videos are very beneficial for students to make changes in their behaviour, thoughts and knowledge. like in some video's the students are taught how to make right decision, how to develop memory money management, Preserverance, Persuading, respecting other's privacy, reviewing skills, How to behave in public places, creative thinking, crottical thinking and how to disagree anicably. I shink these video's will be helpful for students in raising their standard. I am so impressed that I will show all these videox to my school students also. Name - Mijaya Shasma (Asst teachor) Gr. U. P.S Sundeswala Recipier, Dehradus
